

Nexa 42U Glass Front Door Network Rack

– 800x1000mm

Part No.: **NX-NR-42U-8010-VS-C**

Short Description :

The Nexa 42U (800×1000mm) Network Rack is designed for professional network infrastructure, server, and telecommunications environments. It features a toughened glass front door, split vented rear door, removable lockable side panels, vertical cable management, and heavy-duty construction for reliable equipment installation. Integrated casters, adjustable feet, cable entry provisions, and cooling support provide flexibility, stability, and efficient equipment management in demanding IT environments.

Key Features:

- Toughened glass front door provides clear equipment visibility
- Split vented rear door improves airflow and cooling
- Heavy-duty frame supports high-density networking equipment
- Removable side panels provide convenient maintenance access
- Vertical cable manager ensures organized cable management

Full Specifications:

Specification	Details
Brand	Nexa Communication
Part No.	NX-NR-42U-8010-VS-C
Product Type	Floor Standing Network Rack
Rack Height	42U
Rack Width	800 mm
Rack Depth	1000 mm
Front Door	Toughened Glass Door
Rear Door	Split Vented Door
Side Panels	Removable, Lockable Two-Piece Side Panels
Frame Thickness	1.5 mm
Mounting Rail Thickness	2.0 mm
Other Panel Thickness	1.2 mm
Front Door Lock	Black Large Lock
Rear Door Lock	Black Large Lock
Side Panel Lock	Small Lock
Decorative Door Strips	2 × Red Decorative Strips
Vertical Cable Manager	Included
Cable Entry	Top and Bottom Cable Entry
Cable Entry Panel	Brush Panel
Top Panel	Solid/Blank Top Panel
Bottom Panel	Solid/Blank Bottom Panel
Cooling Support	Fan-Compatible Top Panel
Caster Wheels	4 × High-Quality Casters
Leveling Feet	Adjustable Feet
Cage Nuts	30 Sets
Logo	Aluminum Logo
Equipment Visibility	Transparent Glass Front Door
Ventilation	Vented/Split Vented Rear Door
Installation Type	Floor Standing
Application	Network, Server & Telecommunications Equipment
Cable Management	Vertical Cable Management Support
Construction	Heavy-Duty Steel Construction
Rack Configuration	19-Inch Standard Equipment Mounting
Color	Black
Dimensions (W × D)	800 × 1000 mm
Rack Unit	42U
